

Diamond Law International

The Diamond Law Associates International Series

The DLA series of matches is an annual opportunity for the Cayman National XV team to play a series of matches against high class opposition. Cayman currently enjoys a strong XV a side program as holders of the Cancun Cup V Mexico, Bermuda Challenge Cup v Bermuda, The Becks Cup v Bahamas and the Mayfair Cup V Jamaica. In the recent World Cup Qualifiers Cayman finished joint first with the Bahamas but was eliminated on point's difference. During 2005 Cayman hosted the Pacific Pride from Canada and all enjoyed the Young Canada V Cayman test match.

This is an excellent opportunity for Clubs to bring fifteen a side teams out of RFU season and play a high standard of rugby against several junior international teams. The trips can be structured with rugby as the main focus using the tour as a team building exercise, or if you prefer a more relaxed end of season trip, you decide by choosing from our extensive list of activities and customizing your tour to suit your needs. Training sessions can be added to any part of the tour, please feel free to place as many or as few as you require.
